ABOUT THE AUTHOR

For Tiffany Obeng, writing is a delayed passion; a dream deferred. But becoming a mother gave her the push she needed to become the published author she is today. Tiffany's son's curiosity and love for reading inspired the current book series, Andrew's Career Day.

ABOUT THE BOOKS

Andrew Learns about Actors, *Andrew Learns about Teachers*, *Andrew Learns about Lawyers* (expected release 2021) and *Andrew Learns about Engineers* (expected release 2021) are fun, rhyming educational books that will be enjoyed time and time again by young readers 2-8 years old. Each book strives to make career day every day or any day, and inspire kids to aspire to be anything they want to be.

ABOUT SUGAR COOKIE BOOKS

It is our mission to provide fun, rhyming educational books that will be enjoyed time and time again by young readers, ages 2 to 8. So each book includes simple and slightly complex words to engage both parent and child, diverse character images to reinforce the importance of representation, and free extension activities that can be enjoyed over and over. Each book also explores various professions, some of which have been written about and some that have never been explored.

VERIFIED CUSTOMER REVIEWS

Imaginative and Inspiring

I loved reading [*Andrew Learns about Actors*] with my son. It's fun, imaginative, and inspiring. It's structured nicely where my 4 year old son could read it and understand. It's definitely a fun parent child book to read together. The drawings are so cute and my son loved talking about what he wants to be in the future. Cute coloring page. I love the series so far and I am looking forward to the next book.

Great Book for Kids

Andrew Learns about Teachers is a fun and light read for my 4 year old. The book has a smooth rhythm that makes it easier for him to sound words out. The author breaks down what a teacher means and does, and definitely gives you as a parent a nostalgic feeling thinking about some of your favorite teachers. It is perfect for new readers who are still working through phonetic reading. I used both books this one and *Andrew Learns about Actors* to start off career day learning. The books comes with follow up questions and coloring pages. I loved it, my son loved it so that's a win.

ANDREW LEARNS ABOUT ACTORS

Enjoy the first children's picture book about actors, being and becoming.

Inspired by the author's son's curiosity and enjoyment of TV.

Andrew is first confused but ultimately inspired as his mom tells him that his favorite TV friend is really an actor. What do actors do? Join Andrew as he learns what an acting career entails.

This is the debut book in the Andrew's Career Day book series.

Who are these books for?

KIDS, AGES 2 - 8

Andrew's Career Day books encourages kids to use their curiosity to learn new things, and teaches kids it is never too early to dream. They also encourage conversation between kid and parent, grandparent, or caregiver. The books answers and creates questions.

TEACHERS, COUNSELORS & LIBRARIANS

Andrew's Career Day books are great resources for teachers, counselors and librarians. Teachers can use the books to help kids relate their skills and favorite school subjects to a possible career. The books introduce kids to careers early on, which keeps them focused and engaged in school. The books also help kids understand their strengths and talents, which helps give them confidence at school. Each book comes with free learning resources. Andrew Learns about Teachers was part of CBS 11 annual literacy campaign!

EVERYONE

Andrew's Career Day books have diverse images and character illustrations, which teaches everyone about the importance of representation. The books promotes literacy through simple and slightly complex rhythmic text. The books also explore creative careers as well as "traditional" and STEM careers.

ANDREW'S CAREER DAY

Book Series

What Readers ARE SAYING:

I read this book to a student today, when they were upset. He calmed down by page 3 and commented, "Hey, he looks like me." He sat and listened to the entire story. As soon as it was over, he asked me to read it again.
- School Counselor

As a teacher, I loved that there were so many positives about the various roles teachers have in educating students.
- School Teacher

The True T.E.A.

TRIALS. ERRORS. ACCOMPLISHMENTS

www.SugarCookieBooks.com/Blog

ABOUT THE BLOG

Author and publisher, Tiffany Obeng, shares the trials she has faced, the errors she has made, and the accomplishments as she navigates the self-publishing journey!

WHO IS IT FOR?

Blog posts include personal stories about the author, interviews with other authors, and helpful tips for those trying to figure out or are curious about self-publishing. Written in a relaxed, relatable tone, the blog can be enjoyed by authors, writers, book lovers, or those who just want a behind-the-scenes peek!

POST FREQUENCY

Readers can expect a blog post at least one time per month.

POPULAR POSTS

ISBNs & Barcodes! Oh My!

This post answers the questions on every self-publishing author's mind: *Does this apply to me? Do I have to buy it or is it provided? Where do I get it? Why do I need it? How many do I need?*

Talking Vendor Shows with Sherricka Carpenter Stanley

Another popular topic, Sherricka shared the lowdown on vendor shows: *How to find them, how to work them, and everything in between.*

Transitions: A Loving Letter to My Son

A poem of sorts. The first of one:
*Because of you, I am a mom.
I have Mother's Day because of you.
You are my heart outside of me.
You are my roses red and violets blue.*

Yes, Self-Publishing Can Be For You!

This encouraging post lets aspiring authors know they are in control of their publishing future and goals: *While I agree not everyone should have this access nor publish a book, that doesn't mean that YOU'RE less than worthy.*
